Product 1 - Clipr - Personalised Social Shopping Magazine / Sales Platform for interesting non-commodity impulse buy products

PROBLEM

What to gift is a huge problem!

Unmet demand for a local online shopping network for recommendations, discovery and content

For smaller e-commerce companies and offline stores, marketing their design products is a big challenge

EXISTING ALTERNATIVES

Facebook pages for shopping and fashion blogs

Pinterest / theFancy.com

SOLUTION

A network of experienced shoppers to suggest latest gifts

A magazine - offline or online

People sharing e-commerce products on facebook

Social Media Marketing - but not efficient as target audience not identified

KEY METRICS

Number of Visitors/Pageviews

Number of Clips

Number of Products Added

UNIQUE VALUE PROPOSITION

Discover products of your interests as recommended by expert shoppers and your friends (Porn site for shoppers!)

HIGH-LEVEL CONCEPT

Stumble Upon / Pinterest for Indian E-commerce

A social sales platform for unbranded non-commodity products for Indian youth

UNFAIR ADVANTAGE

Traction

Scalable infrastructure to get a new e-commerce website on in less than 6 hours

CHANNELS

Social Media

Advertisements in colleges

Tie-ups with offline "cool" stores

In talks with small TV actresses and fashion bloggers to get content and traction

CUSTOMER SEGMENTS

Age Group: 18-30 years

Predominantly Female

People with disposable income - not necessarily rich - middle class with less liabilities
